for the conversation.

Review dimensions,
materials, and feasibility
before making decisions.

A quieter daily ritual.

The space. The possibility.

Retain the room arrangement. Explore a warm wood vanity and a calmer material palette.

THE CLIENT CONVERSATION

Homeowner: The tile and vanity need an update. I'd love a lighter room with natural wood.

Remodeler: We can explore new finishes while keeping the shower and vanity in place.

Homeowner: That works. Simple fixtures, pale stone, and a calmer feel.
